# Energy & Industrial Markets

---

**The Energy & Industrial Markets ("E&IM")**, a division of Mannai Trading Company WLL, has an excellent track record of providing comprehensive services to international manufacturers, suppliers and contractors by providing local expertise and "know-how" to the Oil and Gas, Construction, Infrastructure and Utilities sector.

E&IM's personnel represent the key strength of the division. Our professionally trained staff focuses on their functional areas of expertise in Building Construction, Electrical, Mechanical and HVAC disciplines.

Our local market knowledge and dealing with various contractors, clients and end-users, put E&IM in a strong position of providing the necessary added-value to our principals and clients.

**Infrastructure**, a segment of Energy and Industrial Markets division that supplies Ductile Iron Pipes, fittings & valves, heavy duty Ductile Iron covers, pipe wrapping materials, municipality covers, pumps, HDPE pipes, water treatment, disinfection and chlorination systems. This segment has been involved in many prestigious projects in Qatar: Qatar Security Water Mega Reservoirs Projects, Dukhan Highway, New Orbital Highway & Truck Route Projects...etc

**Oil & Gas** segment supplies products, spare parts and services to the Oil & Gas Industry such as Plate Heat Exchangers, Pumps, Gas Compressors, Gas Turbine, Air intake Filtration system, Pressure Vessels, Tanks, Pipes, Valves, Oil & Gas separation & Filtration, process equipment, Heat management Solutions and Separator Vessel Internals & Consultancy Services

**HVAC** segment is one of the leading suppliers of HVAC systems in Qatar. Its range of products includes Chillers, Air Handling Units, Heat/Energy Recovery systems, Fan Coil Units, VRF systems, Packaged Units, Central Ducted Split systems, Swimming pool units, Mini and ducted Split Units, Window ACs, Central/Domestic/Car Park Ventilation systems, Copper Tubes, Fittings, & accessories (Air conditioning and refrigeration) , Field devices,

valves & controls, Humidifiers and Dehumidification systems, Chilled water pumps, Air outlets and Air Disinfection by Ultra Violet (UV) technology

**Mechanical & Construction Materials** segment supplies Water heaters, Pumps, air separators, Copper pipes, Fittings, & accessories (Plumbing and Medical), Seamless & ERW pipes, PPR & drainage pipes, Fittings, & accessories, Roof & pipes supports, access panels, hatches, ladders, Permanent & Temporary Suspended Access, Building Maintenance Units and many other construction materials.

**Electrical** segment supplies all types of Light fixtures, Cables, Cable Management systems, underfloor boxes, GI & PVC Conduits & Fittings, cable cleats, joints, terminations & accessories, Circuit breakers, Fuses, Equipment protection enclosures, Earthing & Lightning Protection products and many other electrical materials.

**Specialized Building Materials.** This segment caters to the requirement of local infrastructure projects by supplying high quality waterproofing membranes & construction chemicals which greatly enhances the durability of buildings. Additionally, it also offers many other products such as Expansion Joint Fillers, Non-woven Geotextiles, Polypropylene Corrugated Sheet, Plywood Boards and Protection Boards, others.

**Power Generation** segment supplies Diesel & Electric compressors, tower lights and Diesel driven generators available in different configuration and sizes.

**Tools & Machinery** segment deals with various type of Tools & Machineries catering to the industrial and construction sectors

**Welding Equipment & Consumable** segment offers a wide range of welding equipment from standard MMA, TIG, MIG/MAG to high-tech portable/ synergic inverter welding machines and all type of welding consumables for use in small to heavy fabrication and manufacturing industries, constructions and oil & gas projects

## POWER GENERATION

### Generators

Mahindra Powerol is a significant player in the global **Power Generation** industry to cater to various segment like Telecom, construction, service, manufacturing industries etc. Aesthetically superiors, high quality sound enclosures providing optimum cooling for engine & alternator. Designed to meet the latest environment norms. Mechanical compliant with ISO 3046 Class A1 and ISO 8528 pt. 5 Class G2 governing. 10 kva – 200 kva range.

### Tower Lights & Generators

Manufacturers for **Generators & Towerlights**. Offer world largest range of mobile light tower through significant investment into research & development and produce highly innovative light towers with features which cannot be matched by any competitor in the industry.

Diesel driven generators available in different configuration ranging from 20 kva up to 705 kva in standard line.

### Air Compressors Electrical & Portable

**Electrical and Engine Driven Mobile Screw Air Compressors.** A vast range of motorized compressors capable of meeting the highly diverse and demanding needs of professionals in the field and Industry. New and highly appealing design, and are both compact and powerful. Silent and highly reliable through time.

Electrical Compressor Range from 1.1KW -132KW  
Portable Compressor Range from 175 – 750 cfm.

## TOOLS & MACHINERY

Tractel Secalt is over 67 year old company based in Luxembourg, is one of the leader manufacturer of **BMU's, building facade cleaning solutions & cradles** as well as **permanent & temporary safety line**

ALTA «S» suspended platform

TEA International with more than 40 years of experience producing **hoisting machinery** for the construction sector. Such as TEA Rack Pinion Hoist and material hoist

**Simpedit**

High Quality Bar Bending & Cropping Machinery for Construction Works.

**DIAMOND**

Portable type Heavy Duty Rebar Benders and cutting machine

**ShinMaywa**  
*Brighten Your Future*

All purpose, construction Dewatering Pumps & Sewage Pumps is applicable for a wide range of uses, construction site, sewage treatment plant, and building uses.

**WILDEN**  
Part of Pump Solutions Group  
a DOWCORP COMPANY

Air Operated Diaphragm Pumps & its spare parts with different body construction like Aluminum, Stainless Steel, Plastic & Cast Iron to suit various types of liquids & chemicals.

**NORTON**  
SAINT-GOBAIN  
**clipper®**

Various Types of Masonry Saw, Floor Saws, Tile Saws, Power Float, Diamond Blades for Construction & Civil work

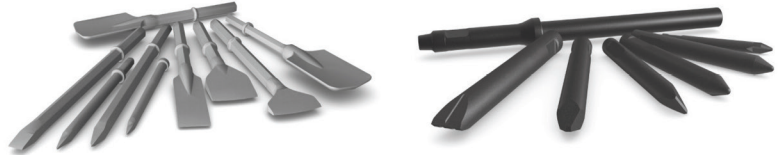

**TOKU**

Wide range pneumatic tools like **Impact wrenches, chipping hammers and breakers** used in construction sector as well as industries.

**THOMAS  
TURTON**

**Demolition Tools, Chisels for Pneumatic, Hydraulic & Electrically Powered Hammers.**

**HELLER**

Our broad product range allows us to supply any workshop with machine tools such as **Milling Machines, Lathe Machines and Column Drills**

**femi**

"A World of Performance" Premium Quality **Bandsaw machines & Bandsaw Blades** from Italy

**MOTION & CONTROL  
NSK**

Supply of Various types of Bearing like **Ball Bearing, Radial Bearing, Angular Bearing, Roller Bearing, Cylindrical / Tapered Bearing, Spherical Roller Bearings & Block Housing Bearing** in various sizes.

**FORZA**

**Mechanical and Hydraulic Pullers** with the widest range of sizes, capacities and styles, **Manual & Hydraulic punches & punches sets.**

**LAWTON  
TUBES**  
The nations copper specialist

Plumbing, ACR "Air Conditioning & Refrigeration" and Medical Gas Copper pipes, Fittings & Accessories

**PEŠTAN**  
we build trust

Piping, Drainage, Sewage and Agricultural Solutions and Cable Protection (PPR, PVC, HTPP, PP, PE & PE Corrugated, Silent Pipes & Fittings and HDPE pipes)

**BOSCH**

Invented for life

**Power Tools for professional****REX**

Portable & Compact High performance **Pipe Threading machines, Grooving Machines, Small Band Saw Machines, Manual Pipe Threading Sets** and other Pipe Tools

BG-101 on NP10AV

Portable Groove H  
BG-101  
with 2" Mount Kit  
M-1001341100  
- Pipe support optional.

341071

**REED**PIPE TOOLS & VICES  
SINCE 1896

**Hand Pipe Tools** such as Pipe Cutters for a wide range of materials sizes and its cutter wheels, various types of Wrenches such as Steel & Aluminum Pipe wrench, Chain tong, chain Wrenches, Adjustable and strap Wrenches, Valve wheel Wrenches. Heavy Duty professional range of Vices, Drophead, & Threaders set. Also Cutting oil & Hand tools

**ZENTEN**

High Quality, Pipe Cutter Innovative Design And Perfect Finishing Of The Products For Pipes

**IREGA**

THE ADJUSTABLE IS OUR WORLD

Since 1960, the world's biggest company fully dedicated to the exclusive manufacturing of **Adjustable Wrenches**

**IRWIN**  
TOOLS

Various types of Vices, Bolt Cutters, Snips & Clamps, Lock Pliers, Bi-Metal Hole saws, Wood Cutting Tools, Drill Bits & Pipe Tools and a wide range of Hand Tools

**wiha**

Industrial, Electrical & Mechanical Screwdrivers, Torque Screwdrivers. Various sizes & types of pliers for Mechanical & Electrical use. Hex Keys. Soft Face Hammers. Measuring Tools etc.

**MENNEKES®**  
Plugs for the world

Industrial Electrical Plugs & Sockets, combination Receptacles.

**BDS**  
MASCHINEN

Portable Magnetic, Core Drilling Machine, Core Drills, Edge Processing Machines, Fully Automatic Beveling Machines, Universal bevel Edge Milling Machine, Deburring & chamfering Machines

**Mitutoyo**

Wide range of Precision tools such as Callipers, Micrometres, Dial Gauges & Indicators, Magnetic Stands, Bore & Height Gauges etc.

Industrial Wire Brushes such as **Cup Brushes**, **Wheel Brushes** & **Specialized Pipe Line Wheel Brushes**. Spindle Brushes, Tube Brushes, End Brushes & Brushes for special application.

Wide range of Abrasive product materials such as **Cutting & Grinding Discs**. Coated Abrasives such as Handy Rolls, Emery Paper, Flap Disc, Fiber Disc, Bench Wheels, Mounted Stones, Diamond Tools & Carbide bars.

Various Types of Electrical, Mechanical & Pneumatic Lifting & Pulling equipment like **Electric Chain Hoist**, **Tirak Power Hoist**, **Load Cells**, **Gear Push Trolleys**, **Chain Blocks** & **Lever Hoist**, Various Types of **Clamps** & **Trifors**.

PPE:- Fall Protection Equipment such as **Harness, Lanyard, Working Belt, Tripod, Rescue Devices, Retractable Life Line** & many other products.

**Nomex III A Coverall, 100% Cotton Coverall**

Supply of various Personnel Protective Equipment (PPE) **Helmets, Eye Glasses, Gloves, Dust Masks, Reflective Jackets, Disposable Coveralls, Rain Suits** etc.

**Safety Footwear** for Industrial, Civil Work, etc.

A practical and functional safety **Gum Boot** with a steel toe and midsole for protection from sharp objects and toe injuries.

**Hand Trolley** of different capacities from 150 kg to 600 kg with Rubber Wheels. Spare Wheels available ex-stock

## WELDING EQUIPMENT & CONSUMABLES

Complete Welding & Cutting Solutions provider. For 65 years, Ador Welding Ltd. has maintained its status as a leading Welding & Cutting Products manufacturing company by providing the widest portfolio of quality products.

Welding Equipment such as Rectifiers, Inverters, Motor Generators, Diesel Welding Generators, TIG & MIG/MAG inverter machines and Welding Automation such as Columns & booms, Welding positioners, Welding Rotators and CNC cutting equipment etc.

Welding Consumables: - Carbon Steel, Stainless & Heat Resisting Steel, Low Alloy High Tensile Steel, Hard Facing, Non-Ferrous Metal, TIG/MIG Wires, SAW Wires & Fluxes and Surface Reclamation Welding Products.

Wide range of High – tech welding equipment such as Portable MMA DC Inverters, MIG/MAG standard, pulse, multi process machine, TIG DC & AC/DC machines and Diesel Welding Generators for use in construction, pipeline, production, fabrication and automotive industries.

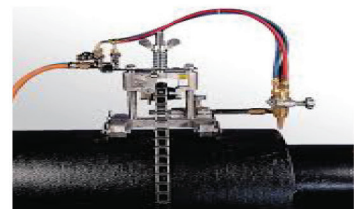

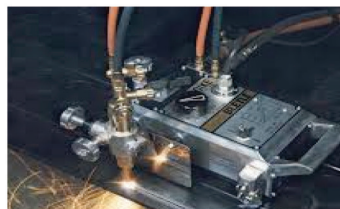

World leader in the manufacturing of welding consumables with highly experienced team of engineers and metallurgists. The state-of-the-art R & D facilities located in South Korea are working side-by-side with end-users and industry partners to research and develop a wide range of welding consumables.

Offers top-quality welding consumables, Stick Electrodes, Flux Cored Wires, Solid Wires, Submerged Arc Welding Wires and Fluxes and TIG Rods.

Manufacturer of high quality CNC oxy – fuel, CNC plasma, welding positioners, laser cutting and portable cutting equipment with Japanese technology.

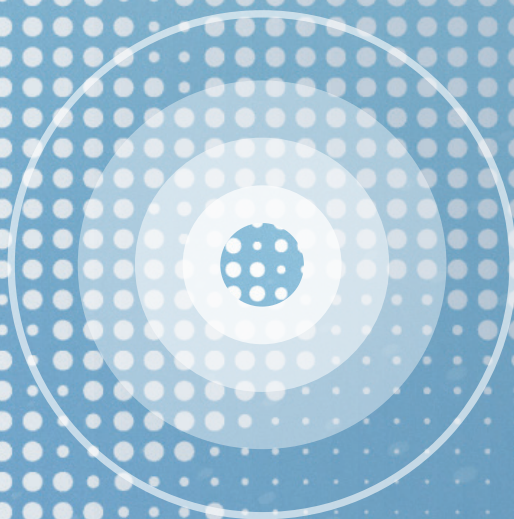

KOIKE have more than 90 years of experience and have one of the broadest lines within the industries that serve various sectors such as ship building, steel construction, fabrication, vehicle manufacturing and other heavy metal industries.

Wide range of welding accessories like, Electrode Baking Ovens, Quivers, Electrode Holder, Earth Clamps, Welding Helmet, Cylinder Trolleys etc.
